

## SESSION: THE 3 LITTLE PIGS

### Learning Outcomes

- **UtW:** Children know that the environment and living things are influenced by human activity
- **CL:** Children listen to instructions and follow them accurately
- **L:** Children can describe the main events in the simple stories they have read

### Theme:

This class will take children through the story of the 3 little pigs, they will help the pigs build their houses and defeat wolf.

### Discussion Point 7 minutes

What do the 3 little pigs use to build their houses?

- Straw
- Sticks
- Bricks

### Relaxation

Children should lay down on their back and close their eyes if they feel comfortable to do so.

If possible, turn off the lights to help with the ambience of the room.

Throughout this part, children should try to stay still and quiet and practice their breathing in through the nose and out through the mouth, this helps them to feel calm and relaxed. We will play relaxing music throughout the relaxation.

At first children may find it difficult to relax and stay still, but over the weeks you will notice the difference and the length of the relaxation will increase.

Children will listen to a lovely visualisation about a special friend.
